

TOURISM CLUB INAUGURATION

KNM Govt. Arts & Science College, Kanjiramkulam

Dear all,

Kerala is bestowed with natural resources like hill stations, coastal beaches, waterfalls, forests etc, and has immense scope for tourism to be developed as a promising sector to economic expansion of the state.

The Department of Tourism under the Government of Kerala has launched a massive awareness campaign among the youth of Kerala and decided to set up a Tourism club across colleges and schools in the state. With a view to tap the potential of the tourism industry, we have decided to launch the tourism club in our college. The aim of our club is to make students aware of the opportunities in the industry and also to promote responsible tourism. Tourism club of our college is a place for anyone who loves to travel, adventure, explore and develop visions and missions for tapping tourism possibilities of the state.

We cordially invite your esteemed presence for making the inaugural function a grand success.
