IQAC CURRICULUM FEEDBACK (2018-2019)
&
ACTION TAKEN REPORT

# FEEDBACK ON CURRICULUM BY STUDENTS

The college has five Undergraduate and two Post graduate course. The college is affiliated to the University of Kerala the college follows the syllabus and academic timetable as stipulated by the University. The college had made use of the distinctive curriculum transactions methods to bring about innovativeness in teaching and learning practices. Department Level Monitoring Committee regularly conducts Academic Audits and remedial measures are also taken up to correct possible shortcomings in the curricular transactions. College Level Monitoring Committee (CLMC) effectively streamlines the continuous internal evaluation by organizing internal examinations in a phased manner, due care is also taken to ensure that enough time is provided for getting feedback from the students and to address to the grievances in relation to the Continuous Internal Evaluation.

Feedback on curriculum was collected from all the stakeholders and the results were analyzed to take steps to rectify the entire shortcoming and to further strengthen the aspects to which positive feedback was received. Five point scale ranging from Strongly agree to Strongly disagree was used to assess the feedback of the students. The major indicators used for the feedback assessment are
- Effectiveness of the courses studied
- Increase in creative thinking capacities
- Timely completion of assessment and evaluation
- Use of ICT enabled teaching and learning methods
- Flexibility in opting for open courses offered by departments
- Participation in co-curricular, extra-curricular and extension activities
- Rating of Sasathrayan-2018 in making the college a public utility
- Role of courses in ensuring employability
- Efficiency of library and other e-learning resources
- Significance of academic calendar in improving learning

<div style="background-color:gold; text-align:center;">Action taken Report</div>

- More proposals and plan was decided to be prepared for increasing the community extension activities by different department/cells/clubs on the basis of the positive feedback to Sasthrayan-2018 when the entire college premises was opened to public it was a great exchange ideas

- Career guidance and placements cells have to organize more in-house training programmes for improving the skillsets of the students

- In addition to open courses other interdisciplinary courses should be designed so that students from all departments have an atmosphere to learn and act together

<div style="background-color:gold; text-align:center;">FEEDBACK ON CURRICULUM BY FACULTY</div>
